COR-0712  
Copy 1 of 3

18 December 1959

MEMORANDUM FOR THE RECORD

SUBJECT : Concurrence in Amendment No. 11 to Contract  
No. RT-100 (AF33(600)-37230 with Missile Systems  
Division, Lockheed Aircraft Corporation, Sunnyvale,  
California, Project CORONA

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. RT-100 covers the procurement of a Satellite Reconnaissance System. The terms of this contract provided for an Advance Payment of [redacted] This advance was necessary for security reasons. This advance is no longer required under this contract. Accordingly, Amendment No. 11 has been written to delete the provisions for such advance payments. However, the Contractor has requested this advance be transferred to Contract No. JL-1922 which covers a follow-on procurement. Accordingly, the [redacted] advance should be liquidated under RT-100 and charged to Contract No. JL-1922. Amendment No. 1 to Letter Contract No. JL-1922 has been written to cover the advance thereunder.

3. Amendment No. 11 to RT-100 does not obligate additional funds. By concurrence to this memorandum, the Comptroller signifies that the Advance Payment will be liquidated as specified in Amendment No. 11.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) see 85-507 dtd. 7/7/58) for each contract.
